Skateboards Parts Create your own Where to skate About us

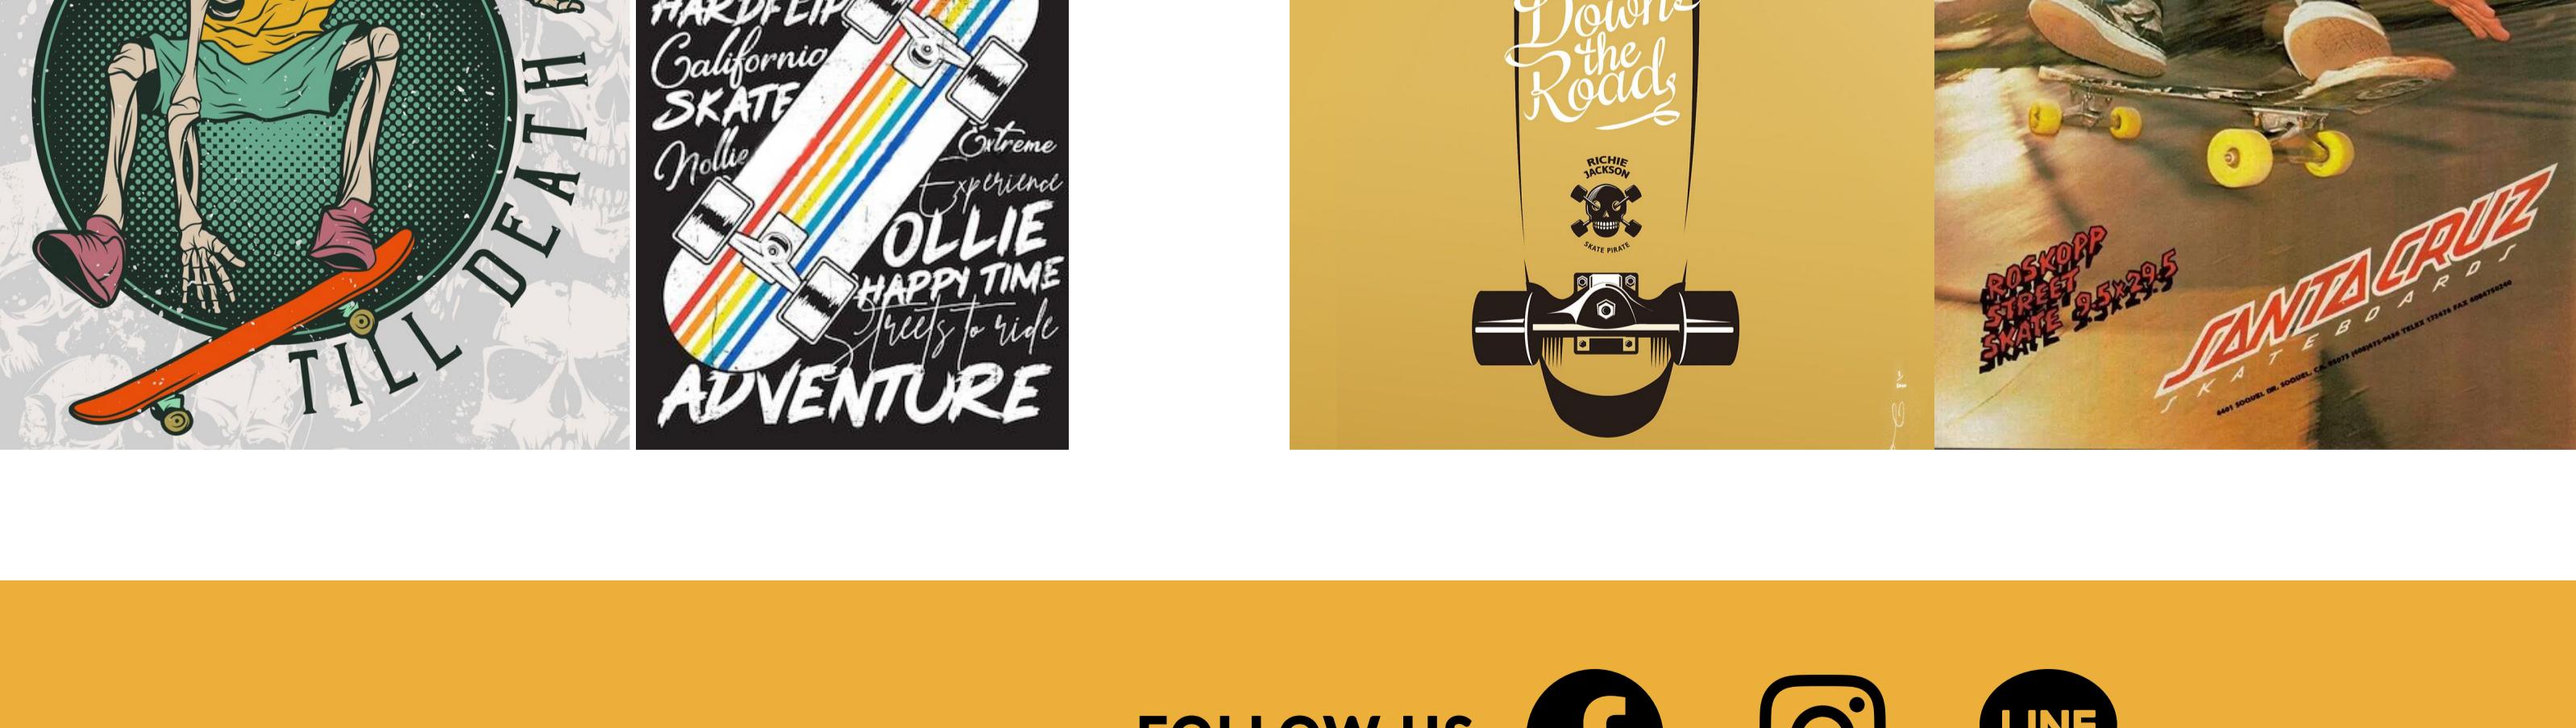

You didn't quit skateboarding because you got old,  
you got old because you quit skateboarding.

-Jay Adams

Skateboarding requires a lot of focus and control. You'll improve your balance and you'll learn how to fall properly.

You don't have to be a pro. Skateboarders at all levels enjoy themselves and skate to their ability. More skilled skaters know what it's like to learn basic tricks and most of them respect you for even trying.
